Dear Mr. Kasyk:

Subject: Request for Termination of Radioactive
Materials License No. 955-0139,
Installation No. LR-0139

On behalf of Umetco Minerals Corporation, I am requesting that Radioactive Materials License No. 955-0139 be terminated. As you can see, on August 28, 1985, I forwarded to Mr. Andrew Awa a similar request and, as of this date, have not heard anything relative to the termination of the license. At the present time, Umetco Minerals is expected to be sold, with a closing date targeted for March 31, 1986. I believe it would be highly desirable, from both parties' viewpoint, to have this license terminated before that date so that no assignments need to be made.

Thanks for your attention to this request.

Very truly yours,

George P. Parker
